

# 5 Guiding Values and Beliefs

a place where we all belong  
**NCDSB**

**MISSION STATEMENT**  
Learning together.  
Striving for excellence.  
In service to God and each other.

**VISION STATEMENT**  
Faithful and thoughtful learners,  
working together to  
transform the world.

## ACHIEVEMENT

*We believe* that every person can achieve success. We are committed to providing learning opportunities that are faith-based, formative, engaging, and connected to real world experiences. We will support innovation that contributes to improved learning and outcomes for all.

## FAITH

*We believe* that Catholic faith traditions and teachings must permeate all aspects of our daily activities. We will strive to sustain strong home, school, and parish relationships that will enhance the faith journey of all members of our communities.

## INCLUSIVITY

*We believe* in the principles of equity, acceptance and inclusion for all. We strive towards excellence in student learning, our employees, programs, and services in which diversity is honoured and all individuals are respected.

## COMMUNITY

*We believe* in the power of collaboration and community. We will work together to achieve the goals we set for ourselves and our organization. We will serve as a model for partnership among academic, parish, civic, cultural, and community agencies.

## RESPECT

*We believe* that all members of our communities have unique gifts and abilities that must be recognized, respected, and nurtured. We will work collaboratively and proactively to continue to build positive relationships of trust and mutual respect.
