

Northeastern  
Catholic District  
SCHOOL BOARD

March 26, 2020

Dear Families and Friends

We, the Trustees for the Northeastern Catholic District School Board, are wishing you well at this time and praying for the health and safety of all of our students, staff members, families and our communities at large.

We encourage parents/guardians and community members to continue to monitor our Coronavirus (COVID-19) Information webpage at <https://www.ncdsb.on.ca/covid-19-update.php> where we will continue to post information and updates as they become available. This page contains links to our local, provincial and federal public health authorities.

We also encourage all to continue to heed the advice of our public health authorities regarding best practice to prevent the spread of respiratory viruses, including COVID-19.

During these unprecedented times, we will continue to pray for you and your families and we ask for your continued prayers throughout the Lenten Season for the health and safety of all members of our communities.

Respectfully

*Glenn Sheculski*
