### TRANSPORTATION SCHEDULES DELAYED

August 25, 2020

Parents, Guardians, Students, and Schools,

In an effort to ensure transportation schedules are as concise as possible, there will be a delay in providing transportation schedules to our students, their families, and schools.

North East Tri-Board Student Transportation has been working diligently in ensuring that we can accommodate the heightened safety protocols and school board re-entry safety plans. Due to a need to adjust route plans for overall student safety, transportation schedules are not yet available. As soon as we are able to confirm their availability, kindly know that we will communicate this to you.

Once available, schedules will be available at <https://geoquery.netribus.ca>. You must create an account and register the transported student to the account to see the transportation schedule. It may also be of interest that you register to receive Email Notification of school bus delays and cancellations when you set up your account.

We apologize for any inconvenience this delay may have cause, however, it is necessary to ensure overall student safety and accurate transportation information.

Sincerely,

Ryan Hartling  
Supervisor of Transportation
