St. Joseph School Raises Funds for Children With Special Needs

May 1, 2023

Students and staff at St. Joseph School spent the Month of April recognizing Autism Awareness and Acceptance Month.

As part of our activities, students participated in various educational, fundraising, and fun-filled events to spread the word about neurodiversity.

Through fundraising efforts, the school raised over \$2000.00 which will be donated toward local charities which support children with special needs.

To close off the month, students and staff in the school formed a human infinity symbol composed of the colours of the rainbow. The rainbow infinity symbol represents the uniqueness and beauty of all of God's people.
